

Clear Hills County

Effective Date: May 10, 2011	Policy Number: 3203
Title: APPROACH CONSTRUCTION	

1. Policy Statement

- 1.1. Clear Hills County will provide reasonable access from any developed county roadway to each existing adjacent property. With approval from the county, property owners are responsible for the development of additional accesses beyond those provided for by this policy, following County specifications and development standards.

2. Approaches to Existing County Roads

- 2.1 The county agrees to supply one approach per quarter section on an existing County road. Approaches construction guidelines are as per Schedule "A".
- 2.2 Should the landowner require an approach with the finished driving surface exceeding 12 meters the additional cost shall be borne by the landowner.
- 2.3 The County will not build or upgrade approaches that are required as a condition of development or subdivision approvals.
- 2.4 The County shall not supply approaches for industrial development and shall ensure that industrial approaches and access roads do not restrict landowner access in any way.
- 2.5 The County shall upgrade cement culverts in approaches within the County on a first come first served written request basis, within the budget requirements.
- 2.6 The County shall upgrade approaches that are less than 12 meters with priority given to approaches less than 10 meters, upon receipt of a written request.
