

## CLEAR HILLS COUNTY

---

SPECIAL GRAVEL PERMIT # \_\_\_\_\_

This permit is issued to \_\_\_\_\_ (name) being

the registered landowner of \_\_\_\_\_ (land location)

in Clear Hills County for the purpose of acquiring reject or pit run gravel – up to 500 cubic yards for ratepayer or up to 1500 yards for community group.

The landowner/community group is responsible for ALL costs related to the procurement of this gravel, including loading and hauling, as well as, but not limited to, liability insurance for and in the County gravel pit, County supervisory staff, and the cost of the gravel at **\$3.00** per cubic yard. The price for gravel is based on the development cost and quality at each pit.

The landowner/community group must provide the County with at least **48** hours notice that they wish to haul gravel and negotiate the following:

- a) location of pit
- b) start time
- c) number of trucks
- d) names of trucks
- e) number of yards (maximum of 500)

Each trucker must provide County personnel with the Permit # before they will be allowed to remove gravel. County personnel will keep a running list of each load taken and the trucker must sign same prior to leaving the pit. County personnel will in turn, sign a gravel ticket for the trucker.

At the end of the haul, the landowner will be invoiced for the amount of gravel hauled as well as a maximum of \$40.00 per hour for County personnel. The hourly rate for personnel will start at the start time specified above and will stop when the last load leaves the pit each day. The hourly rate will be pro-rated if more than one permit # is being loaded. Payment must be made within 30 days from the date of invoice.

The landowner/community group agrees that should payment be in default for more than 90 days, the invoiced amount plus all finance charges will be charged to the tax roll and this amount will then become part of and collectible as property taxes.
